### Chris Hanlon A Stone In A Cloud

"... the mystery of all things, from the greatest to the least: everything can be explained, except their existence." Alberto Moravia

Domo Baal is proud to present 'A Stone In A Cloud' Christopher Hanlon's fourth solo exhibition in the gallery, opening on the first day of Spring. 'Being bored' a new text by Lars Svendsen, Professor in the Department of Philosophy at the University of Bergen, Norway, will be available in the gallery to those who visit the exhibition.
